Be creative in finding locations to show the Tally Demo. Did you know national parks allow for "First Amendment activities"? Mt. Rushmore does for certain (someone is selling Yoga books in the pic below). What about the St. Louis Arch, the Statue of Liberty, Independence Hall, or even your state capitol? **What better places are there to speak about securing elections than these monuments to freedom?**

OPERATION VICTORY GARDENS

Recently, Col. Shawn Smith (USAF Ret.) said that he felt that hand counting is the 'victory gardens of our day.'

During WWII, in the 1940's, America was supporting a war on foreign soil and trying to feed a nation back home. If you know the story of victory gardens from that time, it was the citizens who rose to the task of supporting both the war and the Homefront by planting gardens and harvesting food. Even in cities such as DC and NYC, young and old alike participated.

Fast-forward to 2023 – the world is once again in turmoil, and we face uncertainties. Whether from natural disaster, attack, deceit, or a calamitous event, it is up to the citizens of our country to ensure that we have continuity of government, especially for our elections.

'We the People' must ensure that our elections are held, despite adversity, and that they are free, fair, and secure.

Hand Count Training in
60 minutes

In about 60 minutes a single trainer can teach from 5 to 500 people (or more) how to hand count. This creates a legion of election workers ready to hand count elections across the country. America's greatest strength is the citizens who rise to the occasion, just like they did in the 1940's by planting Victory Gardens to feed the nation. Hand counting elections will "Empower the People" and is our foundational strategy for hand counting. It is "the Victory Gardens" of our day.
